

OCS Guidance Document Overview Webinar Announcement

The Exceptional Children Division is pleased to offer an overview webinar on the use of the Occupational Course of Study (OCS) Guidance Document. This webinar will provide information for school staff on the characteristics of the learner and the data necessary to support the determination of the appropriateness of the OCS.

If you are unable to attend either of these options, the webinar will also be offered again in the fall. The dates for the fall offering have not yet been determined.
